**Oh What a Night!!!** It's been a long time coming, but the final show of the 2009-2010 Broadway season has arrived. Jersey Boys starts it's three week run at the Des Moines Civic Center July 7th. Chef Aaron has a great three course Prix Fixe in the works and our bar manager Karla has a special martini, the "Sherry Baby", just for the show. Here are a couple of quick notes concerning the show. As always, please make reservations in advance because all show nights fill up quickly. Second, we will be open on Sunday's, July 11, 18, and 25, during the show from 4 pm -6 pm to accommodate those of you coming from the matinee or going to the evening performance.

**Martini Madness** Splash is again involved in Martini Madness. This is a fantastic event that benefits Variety Club of Iowa, and we all know what great work they do for the kids around here. The event takes place July 16th from 6pm-9pm. If you would like to attend or need more information call 243-4660, or check out their website at [www.varietyiowa.com](http://www.varietyiowa.com).

**The 800 Pound Gorilla** I want to talk about the terrible situation that's been going on in the Gulf of Mexico the last two months. This oil spill is a travesty and it really is a shame how it will be affecting peoples lives for years to come. Splash gets very little of it's seafood from that region of the country, most of ours comes from Hawaii, Boston, Alaska, and Seattle. I just want to assure you that all our seafood is flown in daily, and is perfectly safe to eat. Also, while some of our product has gone up in price, we have no plans on raising our prices or passing the cost on to our guests.

**Thank You** We appreciate your loyalty! To say "thanks", bring this newsletter with you on your next visit to Splash. It's good through the month of July for a free 1/4 pound shrimp or Alaskan king crab cocktail, one per table, per visit. We look forward to seeing you soon.

**General Manager Mike Holms**

Enjoy fine dining without the stuffiness of a shirt and tie...shorts and sandals are always welcome at Splash!
